

Resolution in Response to 2011 Wisconsin Act 35 – Concealed Carry Law

Whereas, colleges and universities have a legal duty to adopt policies to promote a safe environment for students, faculty, and staff, and

Whereas, the campus community is very concerned about the security of our faculty, staff and students, and

Whereas safety of all members of the campus community is the highest priority at UW-Green Bay, and

Whereas, a safe and secure campus is an absolute prerequisite for effectively carrying out the University's mission, and

Whereas UW-Green Bay's longstanding weapons-free policy has always served the campus community well in these regards,

Therefore, be it resolved that the Academic Staff of the University of Wisconsin- Green Bay recommends that concealed weapons be forbidden in all campus buildings and on all campus property. Further, the Academic Staff of the University of Wisconsin- Green Bay commends and supports our administration in its decision to maintain weapons-free campus buildings and property by posting appropriate signage.
