Division of Student Affairs

ANNUAL REPORT

2022-2023

DIVISION OF STUDENT AFFAIRS

MISSION STATEMENT

The Division of University Inclusivity & Student Affairs will inspire purpose and passion in our students to become socially responsible and globally engaged leaders. We will accomplish this through providing inclusive programming, living, and learning, wellness and recreation, and individual and group support opportunities for every student.

THE CORE VALUES

Leadership

Provide opportunities, experiences, and mentoring to allow students the ability to learn about, demonstrate and inspire positive change.

Student Success/Retention

Provide co-curricular activities that support the institutional commitment to student success by fostering connection and engagement with the campus community.

Inclusivity

Intentional awareness of equity, diversity, inclusion, and belonging.

Wellness

Helping students achieve a balance of physical, mental, and social well-being.

Learning/Development

Foster a culture of curiosity for life-long growth that prepares students to be engaged citizens of the world.

MESSAGE FROM OUR SENIOR STUDENT AFFAIRS OFFICER

Greetings!

The 2022-2023 academic year was truly transformational. New leadership was onboarded in several departments, students utilized provided services in pre-pandemic numbers and the Division continued to align with the University's strategic priorities (student success, inclusivity, digital transformation, community connections, sustainability & environment, athletics and The Weidner). Staff made strides to be innovative in the development and implementation of programs, services and activities. Thus, helping ensure student access to the entirety of their educational experience.

The data contained in this report is evidence that staff worked incredibly hard to engage with students at all four campuses and ultimately retain them at UW-Green Bay. I am grateful and honored to serve alongside talented and committed staff. The work they perform on a daily basis ensures that students are equipped with the tools needed to be successful on campus and beyond.

Together We Rise!

Gail Sims-Aubert

*Assistant Vice Chancellor
for Student Affairs*
