We have to provide trivial, insurers, protection, cleaning, and their hotel. For doing there are a few things that go into it. 4 XL and 3 classics. We have 4 small and 3 bigger ones.

- f. Radwa: when we talked about it is for the students. We are getting the students ideas.
How did we get the students idea?
- g. Kayla: it is the proposal for next year and we only had a short time to plan it. It is coming from a word of mouth. It is not as much but there were opinions added in to it.
- h. Matthew: Location?
- i. Kayla: We are not sure
- j. Sawyer: would they scout a location and than get a location? It doesn't seem to give money.
- k. Tanisha: So we are not giving them money. If this goes wrong and not spent we still have the money . Like Kayla said they will find a spot for it. This get booked out for years. It goes all around the world. We need to act know so we cant get the idea.
- l. Kayla: They have had it in mind for a couple of months and have ideas.
- m. Caden: 40,000 or 60 to 75,000. What is the price?
- n. Kayla: the 60,00 to 75,000 is overall but we will only give 40,000 to aid it. We are not paying 60,000 only

- u. Sawyer: This should go through. The bubbles was good. A lot of people came and we need to find a campus cultural
- v. Lucas B: I feel like I am okay with it but maybe we have inflatable this isn't going to be the best. I don't think we should be doing it over and over again.
- w. Karime: we will not always be going to do it. I think it's a unique opportunity for us.
- x. Tanisha: they have don't this in record time.
- y. Radwa: For them not time. It's a good idea but I am not sure we need to spend \$40,000. We didn't follow the rules with.
