V. Reports

- a) President: Riley: Karime, Isaac, and I met with the Chancellor last week Wednesday. He gave his blessing on the new Student Government Association's Structure. I also interviewed someone for the position of Director of Outreach and Communications.
- b) Vice President: Tanisha: People have been disappointed with SGA not being able to do anything about the Majors that are being removed. The last Exec check-ins are coming this Thursday.
- c) Speaker of the Senate: Lucas: Just had the Environmental Affairs meeting with Derek. Next April, elections are coming up for Student Court. I also attended the shared governance meeting.
- d) RHAA: Ryan: We've been looking at stuff for next semester.
- e) SUFAC: Nathan: Besides processing SGA's budgeting request. We approved Snow Ski's budget request. We are also getting ready for D-Day.
- f) Location Campuses: Karime: I went to a Sheboygan SGA Meeting last week. They are still doing events. They did an event today actually where students got to do PE stuff. As of now, they seem to be doing okay. At Marinette, there is still no SGA. Otherwise, Sheboygan recently did their SUFAC budget as well, which they will be sending to the Chancellor.
- g) Advisors: Adam: Talked about plans for the 1965 room.
 - Katie: Words of inspiration: You can do it!
